## **DETAILED ACTION**

### ***Specification***

The disclosure is objected to because of the following informalities: the specification references the invention disclosed in the claims (see, for example, specification pages 7-10). Because prosecution has changed the claims from those originally presented, the reference to the claims should be removed. The specification could describe the subject matter as related to different "aspects" of the invention to remove possible confusion.

Appropriate correction is required.

### ***Claim Objections***

Claims 11, 14, 15 and 16 are objected to under 37 CFR 1.75(c), as being of improper dependent form for failing to further limit the subject matter of a previous claim. Applicant is required to cancel the claim(s), or amend the claim(s) to place the claim(s) in proper dependent form, or rewrite the claim(s) in independent form. Claims 15 and 16 attempt to further limit claim 2, but claim 2 is canceled. Claims 11 and 14 attempt to further limit claim 5, but claim 5 has been canceled. Consequently, claims 11, 14, 15, and 16 fail to further limit a pending claim.

### ***Allowable Subject Matter***

Claims 1, 3, 4, 6-10, 12, 13, 17, and 18 are allowed.

***Conclusion***

Applicant's amendment necessitated the new ground(s) of objection/rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a).

Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
